**NOTES:**

- Pre-Bid Meeting Q&A:

Q1: *What is the difference between the Mechanical and the Plumbing contract?*  
A1: The Mechanical is HVAC and the Plumbing is plumbing.

Q2: *Are UF maintenance personnel currently doing the small plumbing jobs?*  
A2: Yes, PPD is doing the maintenance but not the replacement.

Q3: *How will the bids be scored?*  
A3: The bid award will be similar to the General Contractor Minor Minors contract from last previous years. The numbers will be entered into a spreadsheet, which will apply points and will calculate the three lowest bidders. The lowest bidders will be those with the highest overall point scores. You are not required to match the price of the lowest bidder.

Q4: *How will the work be distributed?*  
A4: It depends on several factors: the type of work, the workload of the other two successful bidders and the price and performance of the successful bidder.

Q5: *On the polypropylene piping is that DI water?*  
Q5: Yes

Q6: *Some items has the plumbing fixtures being excluded, is that correct?*  
A6: Yes
