1.0 STATEMENT AND SCOPE OF WORK

1.1 Summary

The University of Florida ("UF") is seeking proposals from creative and strategic businesses ("Vendors") interested in providing event planning services, event production services, audio visual equipment services, event rentals and décor services, Entertainment services (DJ, band, music, etc.), and other related services to the University.

This Solicitation consists of two (2) lots which will be evaluated separately. Vendors may choose to submit proposals for either or both lots. The scope of work differs for each lot. Lot 1 refers to the Florida Museum of Natural History (FLMNH) anniversary event. Lot 2 refers to a multiple award for general event planners and services potentially to be used on upcoming events. This solicitation is intended to qualify vendors for inclusion in a qualified vendor pool. While FLMNH (Lot 1) is seeking a vendor who can provide full service event coordination, UF is seeking responses from all areas of event services for Lot 2. Inclusion into the Vendor pool is not a guarantee of business.

The Florida Museum of Natural History (FLMNH) will hold a fundraising gala celebrating its 100th anniversary as the state museum on Saturday, April 22, 2017 from 6:00 p.m. to 11:00 p.m. at Powell Hall on the University of Florida campus in Gainesville, FL. To coincide with Earth Day, the museum will be hosting related programming and anniversary activities including a symposium during the weekend of April 22, 2016. 100% of the evening’s proceeds will support the FLMNH’s Exhibits and Public Programs. The FLMNH would like to remind potential Vendors that the purpose of this gala is a fundraiser. The Florida Museum of Natural History does not want to spend excessively on décor, flowers, etc.

1.2 Scope of Work

1.2.1 Lot 1 (Florida Museum of Natural History’s 100th Anniversary Fundraising Gala)

The Florida Museum of Natural History is seeking a Vendor with extensive experience in large-scale events to provide full service gala coordination including decorations, catering services, and entertainment. FLMNH is also requesting input in developing the anniversary gala event title, theme, logo, and branding that will be used in advertising, invitations, decorations, and related materials.

Inspiration for the look and feel of the event should be taken from the tagline of The Florida Museum of Natural History, “Inspiring people to care about the life on Earth” in addition to the website and the museum itself.

Invited guests may include the Governor of Florida, Florida’s US and State congressional delegations, the Florida Board of Governors, UF and UFF Boards of Trustees members, the President, Vice Presidents, and Deans of UF as well as many of the University’s most prominent donors, alumni, faculty, and friends of the museum.

1.2.1.1 Event Logistics

- The approved Vendor must coordinate the event to accommodate approximately 300-400 attendees participating in a cocktail hour, seated and possibly plated dinner, and entertainment/dancing.
- Location will take place either in the museum’s Powell Hall facility, in a tent on the museum grounds or in the parking lot immediately outside Powell Hall. (See Attachment A)
- Decorating/setup cannot impede visitor access to the museum and to the extent possible, should take place after hours. The museum may be able to close early on the day of the event. If a tent is to be used, it may be set up early pending coordination with UF’s Parking and Transportation office.
FLMNH is open to the public from 10:00 a.m. to 5:00 p.m. daily, Monday through Saturday, and from 12:00 - 5:00 p.m. on Sundays

- Powell Hall lacks a catering kitchen. Caterers may set up in the Fabrication and Design Studio area, and may utilize the loading dock area for cooking/prep.
- Vendor must use a caterer from the list of UF approved caterers. (Please note the list could update throughout the solicitation process.)
  - [https://www.flmnh.ufl.edu/events/rentals/approved-caterers/](https://www.flmnh.ufl.edu/events/rentals/approved-caterers/)
- A dance floor will be required for Powell Hall.

**Proposed Event Timeline:**

- 6:00 p.m.: Cocktail Reception in Powell Hall. Exhibits will be open, cocktails and appetizers to be served in the Central Gallery, Thompson Gallery and Galleria. (Prefer lounge furniture and open bar, as well as musical entertainment in one or more galleries.) Weather permitting, Butterfly Rainforest can be open and special event lighting would be preferred.
- 7:00 p.m.: Seated Dinner. A/V should be available for presentation/musical performance.
- 9:00 p.m.: Music, dancing.
- 10:00 p.m.: Fireworks or other special celebration activity.

### 1.5.1 The Florida Museum of Natural History

Created by legislative statute in 1917 as the State’s natural history museum, the Florida Museum of Natural History (FLMNH) at the University of Florida is dedicated to understanding, preserving and interpreting biological diversity and cultural heritage to ensure their survival for future generations. The FLMNH has become one of the top three university natural history museums in the nation in terms of its research and graduate programs and, with over 40 million specimens and artifacts it is the largest collections-based museum in the southeastern U.S and the fifth largest nationwide. While the Museum’s primary geographic focus is Florida, the Southeastern United States, and the Caribbean, the collections and research programs span the globe. Many of the collections of plants, animals, fossils and artifacts rank among the top 5 or 10 in the United States or the world.

The museum occupies three principal facilities on the UF campus in Gainesville, as well as operating the Randell Research Center in southwest Florida. The UF facilities include 55,000 sq. ft. Powell Hall, located in the Cultural Plaza next to the Samuel P. Harn Museum of Art and Curtis M. Phillips Center for the Performing Arts. Powell Hall houses the museum’s exhibits and public programs, is open 362 days per year and its permanent exhibits are free to the public. The museum hosts special, temporary exhibits each year in addition to a wide variety of educational programs and events for all ages.

McGuire Hall is the museum’s newest 35,000 sq. ft. addition, located adjacent to Powell Hall in the Cultural Plaza and housing the McGuire Center for Lepidoptera and Biodiversity, the world’s largest research center dedicated to the study of butterflies and moths. The McGuire Center Lepidoptera collections are among the largest in the world. McGuire Hall houses the museum’s renowned Butterfly Rainforest permanent exhibit, a 6,400 sq. ft. screened enclosure of tropical plants, waterfalls, and hundreds of exotic living butterflies from around the world.

Dickinson Hall is the museum’s oldest and largest facility at 110,000 sq. ft. Located in the center of UF campus, Dickinson Hall houses the museum’s other biological, paleontological and anthropology/archaeology collections as well as the curators, collection managers and other research staff and activities.

The Florida Museum of Natural History became part of the University of Florida in 1906 and was moved to Gainesville at that time. For more information, visit www.flmnh.ufl.edu.
2.0 EVALUATION PROCESS AND METHOD OF AWARD

2.1 Method of Award

The evaluation of each response to this ITN will be based on its overall competence, compliance, format, and organization. The Award shall be made to the responsive and responsible Vendors whose proposals are determined to be the most advantageous to the University of Florida, taking into consideration the evaluation criteria listed below. Pricing may be a criterion. However, the University is under no obligation whatsoever to select as most responsive the proposal that demonstrates the lowest pricing.

The contract will consist of the University’s ITN, the proposal with any and all revisions, award letter, purchase order, and the signed agreement between the parties, as stated in that agreement.

Vendors whose proposals are not accepted will be notified after a final selection has been made by public posting of the selected proposer(s). This public posting functions as the rejection of all other proposals. This posting will be made to http://www.purchasing.ufl.edu/Vendors/schedule.asp.

Proposal Information and Evaluation Criteria

Vendor proposals for Lots 1 & 2 will be evaluated based upon how well each Vendor plans to meet the needs of the University. Two separate committees of University staff will evaluate the Lot 1 and Lot 2 proposals. The initial responses must provide a clear and easy to understand explanation of Vendor services, methods, and pricing. Evaluation of Vendor information will be based on the written responses to the information requested below. Further evaluation will be based on the information provided in the ITN, any additional information requested by the University, information obtained from references and independent sources, technical and financial data, and oral presentations, if requested.

Specific consideration will be given to the following criteria in no particular order or weighting:

• Company background including Vendor organization, account team, accessibility, and resource commitment
• Experience of company with contracts of similar size and scope, reference information from current or former clients, and breadth of services as well as Vendor connections
• Creativity and quality of approach, portfolio and services proposed, logistics and coordination
• Ability to implement quality services plan to meet UF needs (see section 1.2) and provide best value including the acceptance of UF Terms and Conditions (see section 4.2.9).
• Financial offering – pricing models/cost for services
• Additional best value/ creative ideas – information and/or ideas that may be beneficial to UF in reaching the goals stated in the summary.

2.2 Selection, Negotiation, Additional Information

Although the University reserves the right to negotiate with any Vendor or Vendors to arrive at its final decision and/or to request additional information or clarification on any matter included in the proposal, it also reserves the right to select the most responsive Vendors without further discussion, negotiation, or prior notice. The University may presume that any proposal is a best-and-final offer.

As a result of this ITN, each vendor that is part of the multiple award would have an individual agreement with the University. However, if vendors choose to collaborate to provide services to the University in partnership in a voluntary and creative solution, that team would be evaluated as a single vendor; such circumstances would be entirely voluntary on the part of the participating vendors. Also, the University does not guarantee a minimum dollar/monetary value of this ITN as a whole nor a percentage or volume to any vendor regardless of whether the result of this ITN is a single or multiple award.
For Lot 1, the University also reserves the right to award to the next highest evaluated, responsive and responsible bidder for any and all groups, subgroups, or items in the event of vendor default, non-performance, non-compliance or similar issues affecting the University’s ability to obtain services at any time throughout the contract period.

2.3 Pre-Award Presentations

The University reserves the right to require presentation from any and all Vendors, in which they may be asked to provide or they may provide information in addition to that provided in their proposals.

2.4 Pre-Award Negotiations

The University reserves the right to negotiate prior to award with Vendors for purpose of addressing the matters set forth in the following list, which may not be exhaustive.

Any Vendor who files an action protesting a decision or intended decision shall post at the time of the filing the formal written protest, a bond, payable to the University of Florida, in an amount equal to the lessor of 10% of the estimated value of the protestor’s proposal or 10% of the University’s estimated expenditure during the contract term, or $10,000. The bond shall be conditioned upon the payment of all costs which may be adjudged against the Vendor. In lieu of a bond, the University will accept a cashier’s check or money order in the amount of the bond.

2.6 Contractual Intent/Right to Terminate and Recommence ITN Process

The University intends to contract with one or more Vendors whose proposal(s) are considered to be in the best interests of the University. However, the University may terminate this ITN process at any time until the notice of award is posted, without prior notice, and without liability of any kind or amount. Further, the University reserves the right to commence one or more subsequent ITN processes seeking the same or similar products or services covered hereunder. In the event of cancellation or termination, the University reserves the right to award the contract to another Offer or, cancel in its entirety, or to request new proposals, whichever is in the best interest of University of Florida.

2.7 Effective Period of Proposals

Under this ITN, the University shall hold that Vendors’ responses to this ITN shall remain in effect for a period of ninety (90) days following the closing date, in order to allow time for evaluation, approval, and award of the contract. 2.10 Determination of and Information Concerning Vendor’s Qualifications

The University reserves the right to determine whether a Vendor has the ability, capacity, and resources necessary to perform in full any contract resulting from this ITN. The University may request from Vendors information it deems necessary to evaluate such Vendors’ qualifications and capacities to deliver the products and/or services sought hereunder. The University may reject any Vendor’s proposal for which such information has been requested but which the Vendor has not provided. Such information may include but is not limited to:

The University may accept or reject in part or entirely the Vendor’s pricing and/or revenue offerings when such offerings are not on an all-or-none basis. 4.2.9 Attention to Terms and Conditions

Vendors and subcontractor(s) are cautioned to thoroughly understand and comply with all matters covered under the Terms and Conditions section of this ITN. Representatives of the Vendor(s) selected to participate in oral negotiation(s) shall be first required to submit written authorization from the company CEO or CFO attesting to the fact that the company’s lead negotiator is authorized to bind the company to the terms and conditions agreed to during negotiations and as contained in the Vendor’s best and final offer. The provision of such authorization shall be a prerequisite to continuation in the ITN process. The University shall not enter into extensive contract negotiations with the selected Vendor(s) after the negotiation process has been completed. If the University determines that a company awarded a contract based on this ITN does not honor all aspects of the agreement reached during the negotiations in the best and final offer, the University reserves the right to immediately cancel the award, and to place the company on the University’s suspended Vendor list.

Company negotiators must enter the negotiations prepared to speak on behalf of the Vendor’s company. The University reserves the right to immediately terminate negotiations with any company whose representatives are not empowered to, or who will not, make decisions during the negotiation session. Vendors are reminded that the University may elect not to solicit a best and final offer from any company whose representative(s) have been unable or unwilling to commit to decisions reached during the verbal negotiation process.

4.2.12 Collusion Prohibited

In connection with this ITN, Vendor collusion with other Vendors or employees thereof, or with any employee of the University, is prohibited and may result in Vendor disqualification and/or cancellation of award. Such disqualification and/or cancellation shall be at no fault or liability whatsoever to the University.

In connection with this ITN, each Vendor shall ensure that no improper, unethical, or illegal relationships or conflict of interest exists between or among the Vendor, the University, and any other party to this ITN. 4.2.18 University’s Right to Use Vendor’s Ideas/Proprietary Information

If the Vendor needs to submit proprietary information with the proposal, the Vendor shall ensure that it is enclosed in a separate envelope from the proposal and that it is clearly designated and conspicuously labeled as such. Vendors who submit responses with information noted as proprietary may be asked to substantiate why the information is proprietary or is otherwise exempt from a public records request under Florida Law.

Selection or rejection of the proposal shall not affect the University's right of use. Provided, however, that the University will, in good faith, honor any Vendor information that is clearly designated and conspicuously labeled as proprietary when the University concurs that the information is proprietary, and that trade secrets or other proprietary data contained in the proposal documents shall be maintained as confidential in accordance with procedures promulgated by the Procurement Coordinator and subject to limitations in Florida or Federal law. Pricing information cannot be considered proprietary. The University shall not be liable in any manner or in any amount for disclosing proprietary information if such information is not clearly so designated and conspicuously so labeled. The University shall likewise not be liable if it did not know or could not have reasonably known that such information was proprietary.

Should a request be made of the University for access to the information designated confidential or trade secret by the bidder and, on the basis of that designation, the University denies the request, the bidder may be responsible for all legal costs necessary to defend such action if the denial is challenged in a court of law.
